CAUSE

On November 20, 2014, Anderson submitted to a Breathalyzer at our contracted vendor site, which registered a breath alcohol content of .039% and .035%, respectively. Anderson admitted to having a couple of drinks for his birthday, in violation of his drug treatment condition that prohibits the use of intoxicants while participating in treatment. The conditions of treatment were reviewed with Anderson. As a sanction for this violation it is respectfully requested that Your Honor modify Anderson's release conditions to include 40 hours of community service work, to be completed by April 1, 2015. After being advised of his right to a hearing and counsel, Anderson agreed to the modification and signed a waiver to modify his conditions accordingly. The offender was informed that further violation will result in harsher sanctions.
